## 3 Quick Research Updates

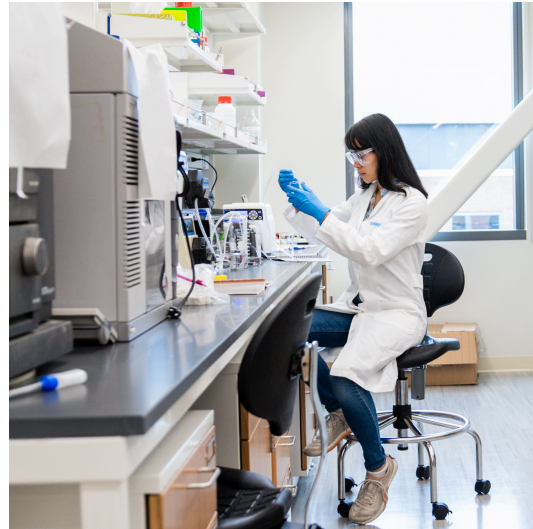

---

---

### Return to Research Instructions

All Huck research personnel who need to use Huck-managed labs and facilities should review this [new page on our website](#) which links to the most up-to-date official documentation and guidance safely resuming research activities.

A dynamic [SharePoint site](#) has been set up to share best practices, submit questions, and actively participate in continuous updates and improvements to our processes.

### Data 4 Action COVID-19 Survey: Please participate!

Leaders across Centre County, PA still need to better understand the impacts of the coronavirus pandemic on local citizenry. To help with this, we've partnered with the Social Sciences Research Institute to collect anonymous data via a [10-minute, 20-question survey](#).

Please do your part to help inform decision-makers by taking this survey and sharing the link with friends and family in Centre County. Thank you!
