## Plot Twist.

Join Agent Preussler from our [Free-Range Science video series](#) as she searches for Freddie the human/chicken hybrid among a hundred+ graduate student Life Science researchers this Friday at the [7<sup>th</sup> Annual Life Sciences Symposium](#).

From 12:30-2:30 we'll be looping all our episodes at our table. Meet Agent Preussler and the F-RS crew and grab some FREE stickers. And who knows? You might just end up in our next episode!

## Did you see Freddie?

We're having a bit of difficulty trying to track her down. Help us find Freddie on our [TikTok channel @HuckInstitutes](#). If you tweet us a screenshot of where she was in the "Have you seen this chicken?" video we'll send you a free sticker for the tipoff.
